

Alabama Chapter CMAA to Host Alan Achatz for January Meeting

The Alabama Chapter of the Club Managers Association of America is pleased to announce the kick-off event for 2018. Alan Achatz of Club Safety Solutions will be presenting on various issues regarding club safety including: active shooter training; current OSHA policies and procedures; emergency action planning; and hazard communication training. These presentations should be meaningful and impactful to both executive, mid and entry level managers. In preparation for this meeting, Alan has asked attendees to bring their existing Emergency Action Plan and to also watch the "Run, Hide, Fight" video prior to attending: <https://www.youtube.com/watch?v=5VcSwejU2D0>

The two day workshop will be held at The Club on Sunday, January 28th and Monday, January 29th, 2018. The Alabama Chapter Board Installation Dinner will be held Sunday evening, and will feature an Old Forrester Bourbon tasting of their premium products, presented by James Joseph; as well as wines from Justin Winery, presented by Don Richwagen, which will also be paired with the meal. We will conclude the workshop on Monday at noon. The two day event will award 6 CMI Credits, and will also have the opportunity for 2 Association Activity Credits. You may sign up online at <http://www.alcmaa.org> or via the attached registration sheet.
